

## Scholarship Questions – Pearl

### Achievement 1 :

Ever since I was young, I have loved dancing. When I was 4, I started ballet and tap, and as I turned 7, I became interested in Jazz, Hip Hop, Acrobatics and Static. After joining Rouse Hill Public School (RHPS), I discovered dance classes in the school. I auditioned, and was successful. I was inspired by not one person but many. I have watched many dance competitions and dream to be one of the celebrities known for dancing. I have performed in many festivals and eisteddfods, but the one I am most proud of is the Sydney Opera House Eisteddfod. Me I and my dance troop came 5th out of 32 teams. I would like to thank my parents for enrolling me in my early dance classes and my mother for getting me ready every time we had a competition or festival, doing my makeup and figuring out how to do a bun on my short hair. I would also like to thank my dance teachers, Mrs. Knipler and Mrs. Cook for organising our entries and preparing and teaching us the dance. I would not be here without these angels that have helped me get to where I am today.

### Achievement 2 :

I am intrigued in by learning new things and always suggesting suggest ideas in class. As long as I can remember, my maternal grandfather has been teaching me maths and thinking skills and my parents have been teaching me reading and writing. My teacher is always giving me more advanced work than my peers, such as algebra, circumference, Shakespeare and more. This year, I got the Academic Achievement award for all areas. I am thankful to for my family's hard work and dedication to my education. This award would be impossible to achieve without their support.

### Achievement 3 :

I love to be social as being social leads to making friends. And making friends leads to anti-loneliness. And anti-loneliness leads

to anti-depression, which leads to anti-bad habits and so on. I started Rouse Hill Public School (RHPS) just last year, 2022, and my parents were a bit **sceptical** about whether I would make friends. They were pleasantly surprised that I have tons of friends in RHPS. My friends aren't what we call fake friends, they are real friends. They can trust me with their secrets and vice versa. My achievement is having social skills. This is not a physical achievement but **a** mental and spiritual **one**. I would like to thank my friends for being- well – my friends. I would also like to thank my parents for instilling my social skills in me.
