

My favorite hobby has always been singing. It is an activity that is in the very center of my comfort zone. I compete in singing competitions and am proud to be in the top league. Singing is my passion and I will never let it go. ^{One time,*} Once me and the choir of Macquarie Anglican Grammar school set off for a three day trip to ^{Sydney*} Sydney. There we would perform in a ^{national} national competition. Me and another girl and two boys would be doing the solo.

^{Sadly,*} Sadly the event was canceled from the ^{Covid*} david pandemic but every school would send ^{a*} a clip of their work. Me and my singing partners, Eva Tom and Bradfile were happy to get second and Eva and Tom were happy to get fourth. This is one of my proudest memories.

At cross country I always get either second or third place. Sadly, my best friend Scarlett has tried harder than anyone to get into the podium, but she never does. This cross country. I realized it is best to stick with your friends as me and Scarlett did so we came 3rd and 5th as someone came in between us. This ^{means that*} meant we both got to go all the way to Katoomba from Dubbo for the next level. It was called the country championships.

I have participated in my school's sports curriculum. I decided to do a term of league tag. I tried and tried and realized that I had found my dream sport. Every match I got one of the two best and fairest awards and ended up getting the Dubbo under 11's League tag award. Gosh, I was pretty shocked and felt pride running through me.

Your punctuality in submitting a writing piece is highly appreciated! However, I do get the message that you are trying to picture off however, you still have a long way and this piece still has room to grow! First off, you need to work on your grammar and see which words and phrases fits the sentence. Spelling and capitalisation is also one issue you need to be wary of and to fix this, ALWAYS review your work before submitting. Keep your piece simple and informative at the same time. Unfortunately, your piece did not meet the 400 word count criteria, so adding more ideas would be great! You can do it!
