

Ravenswood School for Girls

Part 2

How can you contribute to your dream private school? Have you taken part in any leadership roles?

I'm sure I am 100% fit for my dream private school, Ravenswood. Ravenswood School for Girls is dedicated to **their a** large amount of extracurricular activities such as swimming, public speaking, etc. I am an exceptional swimmer and can teach and share my love of swimming. I have also been a swimming captain and earned a lot of trophies for my school. I was awarded "2022 Junior Girls champion" at school. And my name has been imprinted on my school as well!

My leadership skills are crucial in Ravenswood too. As an SRC for three years in MPPS, I have shown my leadership to my school and **is am** a great sports captain. As a sports captain, my job is to motivate my team to get better every time we play. As a superb Netball player, I have been cheering on for my team and have been awarded "player of the year."

I also have a great flair for music. I play piano and bass guitar which shows I have a great variety of pitches and sounds. I am very talented in music because **in of** piano, I am in grade 8 at year 4, and I am also in grade 6 in year 5 for bass guitar too! I am in the school band and **is am** the only person that plays **the** bass guitar!

I hope that my leadership roles can fit into Ravenswood School for Girls. I am sure I am able to take on other knowledge and pass on my existing knowledge to others.

That's a well-executed response, exhibiting the dedication, conviction and potential and scope for leadership roles as well.
