I have **acheived** **achieved** many **academic** awards such as **the** math olympiad, spelling bee and many more. **I am a perfect fit for** **redundant** Knox Grammar as I understand that this school is pleasing in physical **educations** **education** and academics. I believe this school is perfect for me as I have **high** **utilise synonyms** communication skills and can **socialise** with many people that are not the same age as me. I also contribute to many school activities and I am also curious to do things that are new to me. This school wants people with potential and **have** leadership qualities, not people that think they have. I hope that one day, **i** I will make the world a better place for everyone.
