

Section 1:

#1: "My idol is Cristiano Ronaldo because he shows signs of resilience in childhood when he was poor and sweeping the streets."

a. Strengths:

- You've chosen a well-known figure as your role model.
- You've mentioned a specific aspect of Ronaldo's life (childhood poverty) to support your choice.

b. Weaknesses: Lack of specificity Your writing lacks detailed information about Ronaldo's experiences. The phrase "sweeping the streets" is vague and potentially inaccurate. Consider researching and including more specific details about Ronaldo's childhood struggles.

c. Exemplar: "My idol is Cristiano Ronaldo because he exemplifies resilience, having overcome extreme poverty in his childhood in Madeira, Portugal, where he often went hungry and shared a small room with his siblings."

#2: "When I had to faced OC I was scared and kept thinking if I would make it or not. But I remembered to always have resilience and never give up whatever you do."

a. Strengths:

- You've attempted to relate your personal experience to the qualities you admire in your role model.
- You've mentioned the importance of resilience in your own life.

b. Weaknesses: Unclear context and underdeveloped ideas The abbreviation "OC" is unclear, and you haven't provided enough context about the situation you faced. The connection between your experience and Ronaldo's influence needs more development.

c. Exemplar: "When I faced a challenging obstacle course during sports tryouts, I was initially overwhelmed with fear and self-doubt. However, inspired by Ronaldo's perseverance, I pushed through my anxiety and completed the course, reminding myself to never give up, just as he did throughout his career."

#3: "He has supported me through my hardships and moral problems. I always remember him when I have challenges and obstacles in my way."

a. Strengths:

- You've attempted to show how your role model influences your life.
- You've mentioned that you apply the lessons learned from your role model to your own challenges.

b. Weaknesses: Lack of concrete examples Your writing lacks specific examples of how Ronaldo has supported you or influenced your decisions. The statement is too general and doesn't provide insight into your personal experiences.

c. Exemplar: "Ronaldo's dedication to maintaining peak physical fitness inspired me to establish a rigorous training routine, which has helped me overcome my own physical challenges and improve my performance in sports."

Actionable task: Rewrite your essay, focusing on providing specific examples for each point you make. For instance, research and include detailed information about Ronaldo's childhood struggles, clearly explain the situation where you faced a challenge, and provide a concrete example of how Ronaldo's influence has helped you overcome a specific hardship or moral dilemma.

Overall score: 40/50
