

If you are looking for the unforgettable pop culture experience, Japan is the place to be where anime, themed cafes and vibrant festivals come to life! Japan is the world leader in entertainment. People from every corner of the world throughout all seasons travel to experience Japan.

The most notable museums are Ghibli Museum and Tokyo anime centre in Tokyo, Kyoto international manga museum in Kyoto. Ghibli is the legendary animation studio behind award winning Japanese films like Spirited Away, My Neighbour Totoro and Princess Mononoke. It is a must visit for any animation and storytelling fan. The Kyoto Manga Museum has over 300,000 Mangas on display. The Tokyo Anime Centre celebrates modern Anime offering a glimpse into popular series, creators and industry trends.

Festivals are an important part of Japan's traditions. From the streets of Tokyo to the temples of Kyoto Japan's festivals are filled with joy. Japan is where you experience festivals that celebrate art, food and traditions. Japan is where you can dance under the cherry blossoms at the Sakura Festival.

In themed cafes, visitors can enjoy food and can enjoy drink by being surrounded by the world of their favourite characters such as Pikachu! In the Pokemon Cafe popular items include Pikachu-shaped sandwiches, Eevee waffles and Pokeball parfaits.

Visiting Japan is not just about visiting a new country. It is about experiencing a new culture, art form, themed places and themed food. This makes Japan the hub of pop culture always leading the way in entertainment. So what are you waiting for?
