

Good morning fellow classmates,

I am running for school president and I want you to place your vote in the ballot box for me as I believe that together we can make a difference at our school. I can be your voice, a leader who can make school more enjoyable and cares.

Have you ever had an idea or suggestion, but you felt that you were not being heard? Well, do not worry as if you vote for me, I will make your voice stronger and better heard. I will hold a monthly meeting where you will be given the opportunity to share your ideas.

I promise to make our school more fun and enjoyable. There will be Pizza Fridays and more mufti-days. Imagine having longer lunch breaks where you can enjoy more play time with your friends. School should be a place that everyone looks forward to coming everyday.

I want to make sure that no one is left out and everyone feels a sense of belonging in our school. I will always be there for you and be a shoulder that you can lean on and let out all worries and concerns.

So when it's time to vote, remember to vote for me. I will be your voice a leader who can make school more enjoyable and cares about you. Together, we can make a difference to our school!
